

OVER A DECADE LATER, THE BOOK THAT STARTED IT ALL IS BEING RE-LAUNCHED

When *Party Girl* was released in 2007, it was in the wake of Judith Regan's dismissal from HarperCollins and the abrupt dissolution of her imprint. The buzz, movie offers and glut of "quit lit" memoirs that followed have made the novel, currently in development with an Oscar-winning producer, into a cult classic. Now it's back to entertain audiences yet again with the story that shows the surprising hilarity of a sober life.

Celebrity journalist Amelia Stone is the quintessential Hollywood party girl: she stays out late, rubs shoulders (and occasionally more) with celebrities and ingests copious amounts of cocaine.

But after losing her job, her friends and much of her mind, Amelia makes the drastic decision to end her drug abuse. Once sober, she's hired by a big-name magazine to write a column detailing her wild adventures and she starts seeing the man who could be her Mr. Right.

There's just one problem. Overnight, Amelia has become the new face of Hollywood nightlife, and her editors—who don't know she's come clean—want her to play the part. As the lure of her former fast-and-furious lifestyle begins to pull at her, she must decide whether to save herself or salvage her reputation as the ultimate party girl.

PRAISE FOR PARTY GIRL

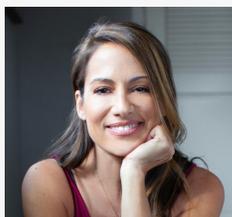

"Funny, touching, and compulsively readable, Anna David's *Party Girl* skewers the myth of the sexy free spirit whose capers win over cocktail hours even as they chip away at her soul."

—Sarah Hepola, *New York Times* bestselling author of *Blackout: Remembering the Things I Drank to Forget*

"Every generation deserves an epic worthy of its own glam self-destruction and redemption. This time, *Party Girl* earns the crown. It's a fantastic, beautifully written and authentic slice of a life."

—Jerry Stahl, bestselling author of *Permanent Midnight* and *I, Fatty*

"At once uproarious and poignant, Anna David's portrayal of the experience of addiction and nuances of recovery is the most accurate I have come across." —Dr. Drew Pinsky, addiction expert

Anna David is the [New York Times](#) bestselling author of eight books. She's been published in the *New York Times* and *Time*, among many others, written about in such publications as *Entrepreneur* and *Women's Health*, appeared repeatedly on *Today*, *The Talk*, *The CBS Morning Show* and *Good Morning America* and been a featured speaker at three different TEDx events.
